TUCK SPOT POCKET TEMPLATE

one pocket, about 4 x 4 in · no special tools needed

cut ------ fold

1. Print this page at 100% (no scaling) on plain paper, or on light cardstock for a sturdier pocket.
2. Cut along the **solid outline**, including the scalloped top edge.
3. Fold the two side tabs and the bottom tab inwards along the **dashed lines**.
4. Add glue to the three tabs only, then press the pocket onto a journal page. Leave the top open.
5. Slip in tags, photos, tickets or journaling cards. Dress the front with lace, washi or a stamp.
